(Administration Bills)

SPONSOR (Department/Division/Agency/Council Member): Office of Sheriff

PURPOSE/SUMMARY: This bill amends Chapter 185 by creating a new Part 5, entitled "Secondary Metals Recyclers." This new Part defines and describes a class of frequently stolen, non-ferrous metal items termed "restricted regulated metals property," and provides for record keeping and reporting of transactions involving those items from all Duval County secondary metals recyclers to the Office of Sheriff. This new Part will have county-wide effect, including the Beaches and the Town of Baldwin. The new Part also places limitations on cash transactions for sales of those items to a secondary metals recycler. Finally, the new Part requires that a person who wishes to transport more than 25 aggregate pounds of restricted regulated metals property first obtain from the Office of Sheriff a transport permit number. There is no charge for the transport permit number and the number, which is good for a period of 72 hours, can be obtained by telephone or via an internet website. The new Part also provides penalties for failure to comply with its requirements.
