(Department/Division/Agency/Council Member)

PURPOSE/SUMMARY:

To appropriate funds for the Gasoline Storage Tank Cleanup Program.

For over 20 years, the Environmental Quality Division (EQD) of the Regulatory Compliance Department has administered the Petroleum Cleanup Program within Duval County. A program change occurred in 2014 which has allowed more sites in Duval County to be addressed in fiscal year 2016. In addition, sites in surrounding counties have been added to EQD's program. This increased number of sites will also increase the amount of funding authorized in fiscal year 2016. EQD staff are submitting the required documentation to allow the Division's budget to correspond with the State's fiscal year, as well as the contract period of July 1, 2015 through June 30, 2016. In addition, 22 civil service positions and part-time hours/dollars are being requested.
