2015-0582

DATE: 07/28/15

BT or RC No: BT15098
(Administration Bills)

SPONSOR: Public Works / Engineering Division
(Department/Division/Agency/Council Member)

PURPOSE/SUMMARY:

The previous Southbank Riverwalk offered direct access to commercial buildings along the project site. When the new Southbank Riverwalk was constructed primarily as an offshore facility, this direct access no longer existed. After extensive negotiations with the property owner, the City and the property owner have agreed to restore access through the construction of walkways that will no longer be attached to the Southbank Riverwalk. The City has received and negotiated a proposal from the Design-Build Firm that constructed the Southbank Riverwalk in order to provide these access ways with materials and finishes consistent with the City's new Southbank Riverwalk.
