IV. STATEMENTS

A. How does the proposed PUD differ from the usual application of the Zoning Code?

The PUD limits uses available from usual Zoning Code application and adds two (2) uses allowed by exception. The PUD allows additional signage as set forth in Section (V)(C). The PUD allows for landscaping waiver on existing construction areas.

B. Describe the intent for the continued operation and maintenance of those areas and functions described herein and facilities which are not to be provided, operated or maintained by the City.

All areas will be maintained by the owner.

V. DESIGN GUIDELINES

A. Lot Requirements:

- (1) *Minimum lot area:* None
- (2) *Minimum lot width:* None
- (3) *Maximum lot coverage:* None
- (4) *Minimum front yard:* None
- (5) *Minimum side yard:* None. Where the lot is adjacent to a residential district, a minimum setback of 15 feet shall be provided.
- (6) *Minimum rear yard:* 10 feet
- (7) *Maximum height of structures:* 30 feet

B. Ingress, Egress and Circulation:

- (1) *Parking Requirements.* The site shall include a minimum of 163 parking spaces, inclusive of handicapped spaces.

(2) *Vehicular Access.*

- a. Vehicular access to the Property shall be by way of Sunbeam Road and San Jose Boulevard, substantially as shown in the Revised Site Plan. The final location of all access points is subject to the review and approval of the City's Traffic Engineer.
- b. Within the Property, internal access shall be provided by reciprocal easements for ingress and egress among the driveways of the various parcels of the Property, if ownership or occupancy of the Property is subdivided among more than one person or entity.
- c. The access from San Jose Boulevard shall continue unobstructed through the entire site, to the area as indicated with 76 parking spaces on the east, as shown on the Revised Site Plan.

(3) *Pedestrian Access.*

- a. Pedestrian access shall be provided by sidewalks installed in accordance with the 2030 Comprehensive Plan. A sidewalk shall be provided from the rear parking area along the existing building to the building entrance as shown on the Revised Site Plan. Pedestrian access shall be provided between the 71 parking spaces perpendicular to Sunbeam Road, as shown on the Revised Site Plan.

C. Signs.

Signage shall be allowed as shown on the signage plan (Exhibit J). The existing wall signs shall be vested; wall signage on the gas station/convenience store use shall be limited to a maximum 10% of wall area. The 200 foot distance requirement between monument signs on San Jose Boulevard shall be waived. Signage shall be permitted as follows:

- (1) Up to two (2) tenant monument signs with a total not to exceed 400 s.f. and 30 ft. in height on San Jose Boulevard frontage
- (2) Wall sign to replace existing wall sign for Bailey's and gymnastics up to 5% of the wall area of the existing building

D. Landscaping:

The Property shall be developed in accordance with Part 12 Landscape Regulations of the Zoning Code where the parcel fronts on San Jose Boulevard, except as limited by the Revised Site Plan; however, compliance shall be waived for the pre-existing parking lots on the site. In the easterly parking area, terminal ends and corners shall include landscaping.

E. Utilities:

Water will be provided by JEA.
Sanitary sewer will be provided by JEA.
Electric will be provided by JEA.

F. Recreation and Open Space

N/A.

G. Wetlands

Wetlands will be permitted according to local, state and federal requirements.

H. Buffer:

The existing ten (10) foot high solid wood fence along the east and southeast property line shall be maintained as described in Condition A to Ordinance 92-17-96.

I. Parking:

The parking area to the rear of the existing building (east portion of the site containing 76 parking spaces) shall be repaved and striped pursuant to Part 6 of the Zoning Code, and lighted, no later than the construction of the proposed 7,000 square foot retail building.

VI. DEVELOPMENT PLAN APPROVAL

With each request for verification of substantial compliance with this PUD, a preliminary development plan shall be submitted to the City of Jacksonville Planning and Development Department identifying all then existing and proposed uses within the Property, and showing the general layout of the overall Property.

VII. JUSTIFICATION FOR PLANNED UNIT DEVELOPMENT CLASSIFICATION FOR THIS PROJECT

The proposed project is consistent with the general purpose and intent of the City of Jacksonville 2030 Comprehensive Plan and Land Use Regulations. The proposed project will be beneficial to

the surrounding neighborhood and community.

A. Is more efficient than would be possible through strict application of the Zoning Code, as the site is partially developed. The creative siting will promote efficient use of previously developed areas;

B. Is compatible with surrounding land uses and will improve the characteristics of the surrounding area through use of infill consistent with surrounding development;

C. Will promote the purposes of the City of Jacksonville 2030 Comprehensive Plan by allowing for infill on existing development.
