PURPOSE/SUMMARY:

Under state law, local governments that enact water management district water conservation measures are required to update their regulations to maintain consistency with the applicable water management district regulations. Since the amendments to Chapter 366, Ordinance Code, in 2009, the St. Johns River Water Management District (SJRMD) amended the rules so these amendments of Chapter 366, Ordinance Code, will conform the City's irrigation conservation measures to SJRWMD requirements.
