PURPOSE/SUMMARY:

The Mayor's proposed FY 17 Budget includes recurring operating costs for a new Mosquito Control helicopter. The City in its current FY 16 budget can fully meet the public safety need to replace the 1974 Hughes 300C mosquito control helicopter. To purchase the replacement helicopter, we propose utilizing \$490,147 in funds designated by Risk Management over several years for replacement costs for the purchase of a MD 500 turbine helicopter. The anticipated maximum cost of the replacement helicopter is \$800,000. The remaining required funds, \$309,853 will come from a non-departmental line item balance. These funds were previously identified and recently confirmed as an available option for the purchase of the helicopter.
