Ordinance 2003 - 257 approved the Highway Lighting, Maintenance and Compensation Agreement between the Florida Department of Transportation (FDOT) & the City. This ordinance established a mechanism for the City to be reimbursed for the cost of utilities and maintaining street lights on FDOT roads. Prior to the start of each Fiscal Year the FDOT issues a work order confirming the amount to be paid to the City and authorizing the performance of maintenance. The Council Approved budget for this revenue in Fiscal Year 2017 is \$2,001,969.59 however, the FDOT conducted an inventory and has determined that the City should be receiving revenue for an additional 753 street lights which totals \$180,688.37 in additional revenue. The additional funding will be used to pay the utility costs for these additional street lights.
