3. ~~Prior to requesting a final building inspection or occupying the facility in any manner, the owner, applicant or developer shall submit to the Planning Department separate certification letters confirming that all horizontal and vertical components of the development have been substantially completed, and all conditions to the development order have been satisfied. This condition shall apply to both phased and non-phased developments.~~

- Recommended PC Conditions that can be incorporated into the Written Description: None
- PC Vote: 5-0
- PC Commentary: There was one person to speak in opposition. His concern was increased traffic. Marlee is used as a cut through. A traffic study is insufficient. Sandler Rd should be extended to Shindler Road.
There was little discussion among the commissioners.

Staff added the language to condition #2. The agent agreed to conditions #1 and #2.
