● Recommended PC Conditions that can be incorporated into the Written Description: None

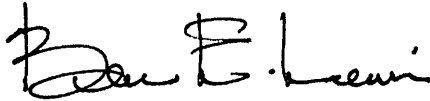

● PC Vote: 7-0

● PC Commentary: There was no one to speak in opposition. The agent indicated conditions 1 and 2 would be too constraining on the new business and the Commission agreed. There have been no noise complaints for the business. The Commission indicated the adjacent dwelling is a quad-plex. The Duval County School District registered their objection to the waiver of alcohol distance since if the owner changes there is no review of the new business.
