PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

The Parks, Recreation and Community Services Department will transfer a total of \$415,000 to the Friends of Hemming Park. \$240,000 from Parks Playgrounds & Centers for operational expenses and \$175,000 from completed capital projects and Countywide Parks Upgrades/Maintenance/Repairs to upgrade the landscaping and make hardscape improvements within Hemming Park. These capital improvements include landscaping and hardscape improvements throughout the entire park. All improvements will be contracted out. It is anticipated that the improvements will be completed by the end of FY 2017. An amendment to the contract with the Friends of Hemming Park to allow for these improvements to be completed is also being requested and is attached. The Council finds that the deferral of this amendment of the CIP until the next annual budget and CIP review will be detrimental to the best interests of the community because the Friends of Hemming Park will be working to leverage our dollars with private contributions.
