PURPOSE: White Paper (Explain Why this legislation is necessary? Provide: Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

The Department of Public Works is requesting legislation to waive certain portions of Ordinance 260, Part 2 that governs waste tire transporter and generators in Duval County that will allow Duval County residents the opportunity to participate in the event to earn reward money for the collection of waste tires and snipe signs from COJ right-of-ways and public properties where these materials are either illegally placed or dumped, and from private properties where these materials may end up being dumped on public properties. The waiver would cover the time frame from April 22, 2017 to the event on May 6, 2017 at Lot J, Everbank Field from 8:00 AM to 2:00 PM and allow residents to haul tires without a license from the City, allow for the temporary storage of tires and allow the transport of tires after hours. The specific Sections of Ordinance 260 Part 2 that would be waived are 260.201(a) License, 260.206(1)(2) Temporary Storage of Tires and 260.208 Hours of Operations. Oversight by the Department of Public Works. Due to the construction within lot J for the drainage pipe crossing and the outdoor amphitheater with the delivery of the seats and other accessories including the access needs for the east areas of the lot, the availability of dates to hold the event was delayed until the construction timeline was better determined. Once the construction timeline was firmed up, SMG provided two available dates to the City and the City then secured the Lot for the event on May 6, 2017.

PLAIN LANGUAGE OF APPROPRIATION / FINANCIAL IMPACT / OTHER:

Explain: Where are the funds coming from, going to, how will the funds be used? Does the funding require a match? Is the funding for a specific time frame? Will there be an ongoing maintenance? ... and staffing obligation? Per Chapters 122 & 106 regarding funding of anticipated post-construction operation costs.

(Minimum of 350 words - Maximum of 1 page.)

Funding totaling \$150,000 was approved in FY16-17 budget within PWSW011SSCO-04938 (general fund appropriation) for the Fourth Annual Waste Tire and Snipe Sign Buyback as part of the illegal dumping activities performed by the Solid Waste Division. The funds are used for the advertisement of the event, expenses for the event such as tents, chairs, rental of Lot J at Everbank Field, vendors for food, water, lunches, printing supplies, gloves, safety vests, transport and disposal of the waste tires and snipe signs, reward monies for Duval County residents who bring in the tires and signs and for overtime of COJ personnel to staff the event. There is no funding match requirement. The funds will be used to conduct the event on May 6, 2017. There is no maintenance cost with this legislation and staffing is allocated within the budget. There are no post construction costs associated with this event. Oversight by the Department of Public works and Solid Waste Division.
