PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

Please provide the Real Estate Division with authority to request the legislation necessary for the City Council to approve the closure and abandonment of portions of five (5) rights-of-way for the Jacksonville Port Authority. The rights-of-way were established in Plat Book 2, Page 88, North River View, dated January 1, 1907 and Plat Book 6, Page 48, East Springfield, dated January 19, 1915.

The closures are requested by the Jacksonville Port Authority (JaxPort) which owns or is in the process of purchasing all the adjacent property. If JaxPort is unable to acquire parcels identified by RE numbers 115616-0000 and 115615-0010 on Louise Street south of 19th Street East, then the right-of-way adjacent to those parcels will not be closed and JaxPort will construct a cul-de-sac at the southern termination of Louise Street. JaxPort otherwise owns all of the property adjacent to the closures. The cul-de-sac will be constructed to meet City of Jacksonville standards and will be constructed at the sole expense of JaxPort. No other street will terminate in a dead-end and all other property will be accessible to the City.

There were no objections to the closures from city, state, and utility agencies. There are ATT, Comcast, JEA, and TECO facilities in the subject rights-of-way. Accordingly, an All-Utility Easement will be reserved over the closed rights-of-way in the name of JEA and the City of Jacksonville.

Maps and drawings are enclosed for your reference.

If you require additional information, please call Jim Morgan at 904-255-8737.
