This legislation appropriates funding received from the U.S. Department of Housing and Urban Development for the HOME Investment Partnership (HOME) program administered by the Housing and Community Development Division. The HOME program is distributed on a formula basis to state and local governments who choose how to invest the funds to best meet local housing needs. HOME funds must be used to assist low- and very low-income households. This assistance can be provided in a number of different ways, and through a range of housing activities, including rehabilitation, new construction, and direct assistance to tenants and homebuyers.

The HOME Investment Partnerships Program (HOME) provides formula grants to States and localities that communities use - often in partnership with local nonprofit groups - to fund a wide range of activities including building, buying, and/or rehabilitating affordable housing for rent or homeownership or providing direct rental assistance to low-income people. HOME is the largest Federal block grant to state and local governments designed exclusively to create affordable housing for low-income households.

Some special conditions apply to the use of HOME funds. Jurisdictions must match every dollar of HOME funds used (except for administrative costs) with 25 cents from nonfederal sources, which may include donated materials or labor, the value of donated property, proceeds from bond financing, and other resources. The City meets this match requirement by utilizing State Housing Initiative Partnership (SHIP) funds for activities and recipients that are eligible under the HOME program.
