This legislation appropriates funding received from the U.S. Department of Housing and Urban Development for the Community Development Block Grant (CDBG) Program. The CDBG program is a flexible program that provides communities with funding to address a wide range of community development needs. Authorized in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG program gives annual grants on a formula basis to over 1,200 units of general local government, insular areas and States.

The CDBG program works to ensure decent affordable housing, to provide services to the most vulnerable in our communities, and to create jobs through the expansion and retention of businesses. CDBG is an important tool for helping local governments tackle serious challenges facing their communities. The CDBG program has made a difference in the lives of millions of people and their communities across the Nation.
