PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

Please provide the Real Estate Division with authority to request the legislation necessary for the City Council to approve the closure and abandonment of a 340 foot portion of a 33 foot right-of-way known as Lofton Alley at the request of an adjacent commercial property owner, Paul Sleiman, Olde Mandarin, LLC. The right-of-way is shown on Plat Book 25, Page 4, Man-de-Lor dated April 8, 1954, and established by Resolution dated March 30, 1959. The right-of-way contains electric, water and sewer utilities. Accordingly, an all utilities easement will be reserved over the closed portion.

Fire Station 42 is located in the southeasterly quadrant of the intersection of Lofton Alley and Rickey Drive. Fire and Rescue have approved the closure request with the requirement that access in and out of Fire Station 42 by way of the closed alley must be maintained at all times. Therefore, an easement for ingress and egress for Fire Station 42 will be reserved over the closed portion of the Lofton Alley in the name of the City.

The applicant has requested the closure to enable him to increase parking behind his building and increase access around the building. The property owner to the north is in favor of the closure and will use the closed alley in the same way. The applicant has paid the \$2,091.00 application fee. There were no objections to the closure from City, State and utility agencies.

Maps and drawings are enclosed for your reference.

If you require additional information, please call Jim Morgan at 904-255-8737.
