PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

JTA and the City own adjacent properties in the LaVilla neighborhood, and together control approximately 12-acres of undeveloped properties between Adams Street and Bay Street, just west of Lee Street, as more fully illustrated by the parcel map included as Attachment 'A' to this memorandum. Specific to this proposed land swap, JTA owns a parcel of land that constitutes the southern-half of a city block, and is adjacent to three City-owned parcels that constitute the northern-half of that same block. Legislation to enact the approved DIA Resolution 2017-06-04, would effectuate the exchange of the JTA parcel for an adjacent City-owned parcel, thereby creating an entire city block controlled by DIA. The terms for this exchange are limited to one property for the other.
