**RE: Planning Commission Advisory Report  
Ordinance No.: 2017-667**

Dear Honorable Council President Brosche, Honorable Council Member and LUZ Chairperson Schellenberg and Honorable Members of the City Council:

Pursuant to the provisions of Section 30.204 and Section 656.129, *Ordinance Code*, the Planning Commission ("PC") respectfully offers this report for consideration by the Land Use and Zoning Committee ("LUZ").

- Recommendation by JPDD:                     Approve     Approve with Conditions     Deny
- Recommendation by PC to LUZ:            Approve     Approve with Conditions     Deny
- PC Vote:                                        6-0

- PC Commentary:    The Commissioners agree the current regulations are excessive. They feel that day cares are safest place for children. The regulation punishes the neighborhood by preventing day cares where they are most needed. The regulation should match the State of Florida Statutes, Commissioner Hacker dissented because he is opposed to distance requirements in general.
