- PC Commentary: There was one speaker in opposition. His concern was existing road capacity, overcrowding of schools and lot size.  
The Commissioners felt the lot size was reasonable given the subdivision lot sizes in the larger area. The DCSD representative was not present to answer questions concerning school sizes.  
The agent indicated that the widening of Yellow Bluff is in the plan, but funding is not available. The PUD is reserving right of way for future expansion.  
The agent has incorporated staff's condition into the Written Description and therefore recommends the conditions be removed.
