PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

Please provide the Real Estate Division with authority to request the legislation necessary for the City Council to approve the closure and abandonment of a portion of an Easement for Drainage and Utilities lying within RE# 099004-0000, at the request of the property owner, KB Homes Jacksonville Inc. The easement was established in Official Records Book 2624, Page 483. The property is being developed as a single-family residential community. The applicant has paid the \$516.00 application fee.

There is a drainage ditch which lies partially outside the easement. The easement is being re-located to cover the ditch area. There is no other utility infrastructure in the easement and there were no objections from any of the utility agencies. The Right of Way and Stormwater Maintenance Division of Public Works Department approves of the abandonment and reestablishment of the easement over the location of the drainage ditch.

KB Homes will record the plat for Preston Pines showing both the new easement and the present easement. Once City Council approves the closure of the present easement, KB Homes will then record a re-plat showing only the new easement.

Maps and drawings are enclosed for your reference.

If you require additional information, please call Jim Morgan at 904-255-8737.
