RE: Planning Commission Advisory Report
Ordinance No.: 2018-188 **Application for: Little Pottsburg Creek PUD**

Dear Honorable Council President Brosche, Honorable Council Member and LUZ Chairperson Schellenberg and Honorable Members of the City Council:

Pursuant to the provisions of Section 30.204 and Section 656.129, *Ordinance Code*, the Planning Commission ("PC") respectfully offers this report for consideration by the Land Use and Zoning Committee ("LUZ").

- Recommendation by JPDD: Approve Approve with Conditions Deny
- Recommendation by PC to LUZ: Approve Approve with Conditions Deny
- This rezoning is subject to the following exhibits:
 1. The original legal description dated December 29, 2017.
 2. The original written description dated March 21, 2018.
 3. The original site plan dated February 13, 2018.
- Recommended Planning Commission Conditions* to the Ordinance:
 1. A traffic study conducted by a professional traffic engineer shall be required. A methodology meeting shall be held with the City of Jacksonville Traffic Engineering Division prior to the commencement of the study. The traffic study shall be submitted for review and approval at the time of verification of substantial compliance.
 2. Prior to the first final inspection within any phase of development, the owner or their agent shall submit to the Planning and Development Department for its review and approval either (a) an affidavit documenting that all conditions to the development order have been satisfied, or (b) a detailed agreement for the completion of all conditions to the development order.

*Additions made by PC to the proposed Jacksonville Planning and Development Department ("JPDD") conditions are underlined and deletions are indicated with a ~~striketrough~~.

- Recommended PC Conditions that can be incorporated into the Written Description: None
- PC Vote: 7-0
- PC Commentary: There was one speaker in support and three speakers from Colonial Point Condos in opposition. The three speakers had concern about the increased traffic on Atlantic Boulevard. Vehicles exiting the development will have to do a u-turn on Atlantic Boulevard to drive west. The development should have access on Jork Road since there is full median access at this location.
The agent indicated the current PUD prohibited access to Jork Road which was negotiated with the community in 2006.
The Commissioners understood the speakers concerns, but felt the traffic issue is better handled through the City and FDOT.
