RE: Planning Commission Advisory Report

Ordinance No.: 2017-231 Application for: Sale of Tires

Dear Honorable Council President Brosche, Honorable Council Member and LUZ Chairperson Schellenberg and Honorable Members of the City Council:

Pursuant to the provisions of Section 656.129 *Advisory recommendation on amendment to Zoning Code or rezoning of land* of the Zoning Code, the Planning Commission voted to recommend **deferral** pending submittal of an application, a revised application, re-advertising or additional information.

PC Vote: 7-0

• PC Commentary: The Commissioners had the following questions and comments:

Why the ordinance used the 5 year compliance term?

What was the genesis of the ordinance? OGC indicated it came from the Blight

Committee to reduce visual blight and health issues.

Why is this only dealing with tires and not other items allowed to be stored outside in the

CCG-2?

Should include a section which allows for the display of tires during normal work hours

but no the overnight display or storage of tires.

If you have any questions or concerns, please do not hesitate to contact me at your convenience.

Sincerely,

Bruce E. Lewis
