PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

Please provide the Real Estate Division with authority to request the legislation necessary for City Council to approve the abandonment a drainage easement located entirely within 9731 Beach Boulevard, RE# 127989-0000, established in OR Book 1113, Page 279, of the Official Records of Duval County, Florida.

The applicant is seeking the drainage easement to be abandoned because the storm drainage pipe installed is not within the existing easement. The applicant is granting the City a new drainage easement to cover the installed pipe. This new easement to be granted to the applicant will be outside of any future or existing building improvements and will be recorded before or at the same time the current easement is abandoned. The abandonment is requested by 9731 Beach Blvd., LLC in order to develop a Wawa Convenience Store, Food Market, and Fuel Station. The applicant will execute a Hold Harmless agreement as a result of the legislation. This relocation also benefits the City as it will appropriately support the City's existing infrastructure; therefore, the Director of Public Works has agreed to waive the application fee.

There were no objections to the abandonment of the drainage easement by the Right-of-Way and Stormwater Maintenance Division and the Engineering Division.

Maps and drawings are enclosed for your reference.

If you require additional information, please call Jim Morgan at 904-255-8737.
