This legislation appropriates funding received from the U.S. Department of Housing and Urban Development (HUD) for the HOME Investment Partnership (HOME) program administered by the Housing and Community Development Division. The HOME program is distributed on a formula basis to state and local governments which choose how to invest the funds to best meet local housing needs. HOME funds must be used to assist low- and very low-income households. (Minimum of 350 words - Maximum of 1 page.)

The U.S. Department of Housing and Urban Development (HUD), through the HOME Investment Partnerships Program (HOME), provides formula grants to States and localities that communities use - often in partnership with local nonprofit groups - to fund a wide range of activities including building, buying, and/or rehabilitating affordable housing for rent or homeownership or providing direct rental assistance to low-income people. HOME is the largest federal block grant to state and local governments designed exclusively to create affordable housing for low-income households.

The funds being appropriated within this legislation will be spent for the City's Limited Repair Program, development subsidies for certified Community Housing Development Organizations (CHDOs), and a revolving loan fund and the costs associated with the administration and delivery of the program. The City does not contribute general funds to the administration or delivery of this program and all positions are authorized and funded through the grant.

The City of Jacksonville must obligate all funds, except for the amount designated for administrative costs, within two years after HUD signs the grant agreement. All grant funds must be expended within five years after HUD signs the grant agreement. Additional obligation and expenditure requirements are specified at 24 CFR Part 92.

Some special conditions apply to the use of HOME funds. Jurisdictions must match every dollar of HOME funds used (except for administrative costs) with 25 cents from nonfederal sources, which may include donated materials or labor, the value of donated property, proceeds from bond financing, and other resources. The City meets this match requirement by utilizing State Housing Initiative Partnership (SHIP) funds for activities and recipients that are eligible under the HOME program.
