Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

This legislation is necessary for City Council to approve the closure and abandonment of an unopened and unimproved alleyway lying between Montana Avenue and Alabama Avenue, established in Plat Book 1, Page 20 of the former Public Records of Duval County, Florida.

The abandonment is requested by G2 ID Source, Inc., who owns the property on both sides of the alleyway. The closure is approximately 15 feet wide by 125 feet long. The applicant wishes to expand his property which is zoned Light Industrial. The applicant has no plans for development at this time. The remainder of the unopened and unimproved alleyway is fenced off or heavily wooded. The applicant has paid the application fee of \$2,091.00.

There were no objections to the closure and abandonment of the alleyway by any City, State or utility agency. The alleyway contains no infrastructure.

Maps and drawings are enclosed for your reference.
