III. Statements

- a. In order to add the 1.78 acres of the existing Home Depot PUD to the 0.73 AC of the current Circle K site for redevelopment, the City of Jacksonville has required a PUD rezoning submittal. The proposed PUD will follow the zoning code for CGC-1 and those requirements listed within the Home Depot PUD 2012-0288.
- b. After construction of the proposed development, the Circle K will continue to function as a gas station and convenience store. All property within the development will be owned, operated, and maintained by Circle K.

IV. Uses and Restrictions

- a. Permitted Uses: Permitted uses and permissible uses by exception shall be those allowed in the CCG-1 zoning district as per the provisions of the Jacksonville Zoning Code.

V. Design Guidelines

a. Lot Requirements:

- i. The minimum lot area, minimum lot width, maximum lot coverage, building height, and minimum yard requirements shall be as set forth in the current CCG-1 zoning district as per the provisions of the Jacksonville Zoning Code.

b. Ingress, Egress, and Circulation:

- i. Parking Requirements: The parking requirements for this development shall be consistent with the requirements of Part 6 of the Zoning Code with the provision there is no maximum number of parking spaces.

- ii. Vehicular Access Code:

1. Access to the site shall be off of Atlantic boulevard and Girvin Road as shown on the site plan. The property may also be accessed through the Home Depot property. The final location of all access points is subject to the review and approval of the Transportation Planning Division.
2. Within the Property, internal access shall be provided by reciprocal easements for ingress and egress among the driveways of the various parcels of the Property, if ownership or occupancy of the Property is subdivided among more than one person or entity.

- iii. Pedestrian Access:

1. Pedestrian access shall be provided by sidewalks installed in accordance with the 2030 Comprehensive Plan.
 - a. Sidewalks will provide access from Girvin Rd.

c. Signs:

- i. One (1) street frontage sign per lot, not to exceed one (1) square foot for each linear foot of street frontage, to a maximum size of two hundred (200) square feet in area for every two hundred (200) linear feet of street frontage or portion thereof, is permitted provided such signs are located no closer than two hundred (200) feet apart, as provided in the Zoning Code. Such freestanding signs shall be of monument style or as otherwise approved by the

Planning and Development Department, not to exceed 50 feet in height.

- ii. Wall signs not to exceed ten percent (10%) of the square footage of the occupancy frontage of the building abutting a public right-of-way are permitted.
- iii. Directional signs shall apply to the City of Jacksonville Zoning Code.

d. Landscaping:

- i. The Property shall be developed in accordance with Part 12 Landscape Regulations of the Zoning Code with the following provisions.
 - 1. The corner lot will provide 8-foot-wide landscape buffers along Atlantic Blvd. and Girvin Rd.
 - 2. The rear landscape buffer will have a width of 5 feet.
 - 3. Due to cross access potential and shared parking, the western property line will not include a landscape buffer, but will provide approximately 1,090 SF of new landscape islands.

e. Recreation and Open Space: N/A

f. Utilities

- i. The property will be served by the Jacksonville Electric Authority for water, power, and sewer.

g. Wetlands:

- i. Wetlands will be permitted according to local, state and federal requirements.

VI. Development Plan Approval

With each request for verification of substantial compliance with this PUD, a preliminary development plan shall be submitted to the City of Jacksonville Planning and Development Department identifying all then existing and proposed uses within the Property, and showing the general layout of the overall Property.

I. Justification for Planned Unit Development Classification for this Project

The proposed project is consistent with the general purpose and intent of the City of Jacksonville 2030 Comprehensive Plan and Land Use Regulations. The proposed project will be beneficial to the surrounding neighborhood and community.

- Is more efficient than would be possible through strict application of the Zoning Code;
- Is compatible with surrounding land uses and will improve the characteristics of the surrounding area;
- Will promote the purposes of the City of Jacksonville 2030 Comprehensive Plan.
