**RE: Planning Commission Advisory Report  
Ordinance No.: 2019-239**

Dear Honorable Council President Bowman, Honorable Council Member and LUZ Chairperson Schellenberg and Honorable Members of the City Council:  
Pursuant to the provisions of Section 30.204 and Section 656.129, *Ordinance Code*, the Planning Commission ("PC") respectfully offers this report for consideration by the Land Use and Zoning Committee ("LUZ").

- Recommendation by JPDD:  Approve  Deny
- Recommendation by PC to LUZ:  Approve  Deny
- Recommended PC Conditions that can be incorporated into the Ordinance:
- PC Vote: 5-1
- PC Commentary: CM Joyce Morgan presented the revised Overlay and indicated who was noticed for the additional meetings. There were several speakers in support. They felt the area needs the Overlay to improve the area. Some speakers had small changes they felt were needed.  
Opposition felt the expense is burdensome, want to allow for existing signs.  
The Commissioners were concerned about which version they were voting on. They felt comfortable moving the legislation forward. Commissioners echoed comments that code enforcement needs to be strengthened. The Overlay is burdening the commercial property owner to improve the area.
