Staff Report on Proposed Amendment to Section 650.105, Ordinance Code

ORDINANCE 2019-427

As indicated in EXHIBIT 1 for Ordinance 2019-427, an amendment to Sec. 650.105, Comprehensive Planning for Future Development, Definitions, is proposed to remove the calendar year acreage limitation for Small Scale Comprehensive Plan Amendments. The change is necessary to provide consistency with the Florida Statutes.

Sec. 163.3187, Florida Statutes (F.S.), includes a 120 acre limitation for all small scale comprehensive plan amendments adopted by a local government in one calendar year. House Bill (HB) 6017 removes the acreage limitations that apply to small scale comprehensive plan amendments in Sec. 163.3187, F.S. HB 6017 was approved with no amendments and ordered enrolled on May 3, 2019. The act should be signed by the Governor and will take effect July 1, 2019.

The subject amendment removes the small scale comprehensive plan acreage limitation from Sec 650.105, Ordinance Code, and is consistent with the changes made to Sec. 163.3187, F.S. as described above.

The amendment to remove the acreage limitation from Sec. 650.105, Ordinance Code, allows continual processing of small scale comprehensive plan amendments upon the effective date of HB 6017 on July 1, 2019.

The Planning and Development Department recommends **APPROVAL** of the ordinance code change to Sec. 650.105 as identified in **Ordinance 2019-427**.
