Bill Type and Number: Ordinance 2008-482

Sponsor: Council President at the request of the Mayor:

Date of Introduction: June 10, 2008

Committee(s) of Reference: F; PHS

Date of Analysis: June 13, 2008

Type of Action: Appropriation

Bill Summary: This ordinance appropriates \$425,000 from the Bank Fund account to provide funding for the construction of a fueling station at 609 St. Johns Bluff Road North to replace the existing single-walled underground tanks at the fuel site at Fire Station #30. The existing fuel site must be removed or replaced by December 31, 2009, as mandated by the Florida Department of Environmental Protection and as initiated by B.T. 08-133.

Background: Fire Station #30 is located in Council District 2. The bill authorizes and appropriates funding for the construction of an existing fueling station that, because the site has single walled tanks, must be removed or replaced in accordance with an EPA mandate. Replacing the existing site is for safety purposes.

Policy Impact: Central Operations/Fleet Management

Fiscal Impact: This bill appropriates \$425,000

Date of Analysis: June 12, 2008

Type of Action: Appropriation; Memorandum of Understanding Authorization

Bill Summary: This bill appropriates a \$200,000 grant received by the City from JEA for the benefit and use of Jacksonville Arboretum and Gardens, Inc. Provision is made for the carryover of appropriated funds into the 2008-2009 fiscal year. A Memorandum of Understanding between the City, JEA, and the Arboretum is approved, and authorization is given for the Mayor, or designee, and Corporation Secretary to execute said memorandum. It is required that the Dept. of Recreation and Community Services oversee the project.

Background Information: JEA is making the grant to the City for the use and benefit of the Arboretum to mitigate JEA's use of a plant buffer adjacent to Arboretum lands. The grant funds are to be used to provide utilities, including reuse water, landscaping and buffering, security gates, restrooms, water fountains, signage, and other amenities to Arboretum lands.

Policy Impact Area: JEA; Recreation and Parks

Fiscal Impact: \$200,000 is appropriated by this ordinance

Type of Action: Surplus Declaration; Conveyance; Ordinance Code Waiver

Bill Summary: This ordinance declares R. E. No. 172385-0010, a tax reverted parcel in Council District 13, to be surplus to the needs of the City and authorizes the Mayor and Corporation Secretary to execute all necessary documents to convey said parcel to the City of Atlantic Beach at no cost for a road improvement project. The ordinance waives the provisions of Section 122.423 (Appraisal at or below \$25,000), *Ordinance Code*, to convey the parcel to the City of Atlantic Beach at no cost.

Background: This particular parcel is located on Stewart Street. The parcel is a private road and lies within a road improvement project being undertaken by the City of Atlantic Beach and is required for the project. It was established that there was no City need for the parcels.

Date of Analysis: June 13, 2008

Type of Action: CON Issuance

Bill Summary: This legislation grants Independence Recycling of Florida, Inc., a Certificate of Public Convenience and Necessity (CON) to operate a waste concrete products recycling facility and provides conditions of said certificate. The facility is located at 1200 Wigmore Street, in the Talleyrand area, Council District 7.

Background: The Solid Waste Division of the Department of Public Works recommends approval of the Certificate of Public Convenience and Necessity for Independence Recycling of Florida, Inc. Public works bases its recommendation on the applicants compliance with provisions and condition of Section 380.105(d) of the *Ordinance Code* regarding the criteria of quantity solid waste in the City requiring management and disposal; capacity of the existing facilities and the capacity of the proposed operation; and alternate methods of disposal. The Planning & Development Department has determined that the proposed operation is in compliance with the zoning code, that the facility is consistent with surrounding heavy industrial and port related uses (a wood processing plant, truck terminal and port-related industrial uses); and that the operation of a concrete recycling facility would be consistent with the Future Land Use Element of the 2010 Comprehensive Plan.

Bill Type and Number: Ordinance 2008-497

Sponsor: Council President at the request of the Jacksonville Housing Finance Authority:

Date of Introduction: June 10, 2008

Committee(s) of Reference: F; RCD

Date of Analysis: June 13, 2008

Type of Action: Ordinance Amendment

Bill Summary: This ordinance amends the Housing Tax Credit Multi-Family Rental Project Revolving Fund established by Ordinance 2002-174-E, which established a policy, threshold requirements, selection criteria, and loan terms, in order to: (1) rename the fund to "Local Government Support Revolving Fund", (2) amend the loan terms, and (3) expand the fund's availability to all Florida Housing Finance Corporation Rental programs that require evidence of local government support; providing an aggregate maximum loan amount and administration of the fund; amending also the JHFA's loan Trust Fund terms created by Exhibit 7 of Ordinance 2005-197-E and replacing with the same policy (inclusive of project threshold criteria, project selection criteria, and loan terms) as the Local Government Support Revolving Fund; determining credit not being pledged.

Background: The Florida Housing Finance Corporation is the allocator of Housing Credits for the State of Florida and has indicated that counties may receive an allocation of Housing Tax Credits. In addition to allocating Housing Tax Credits, FHFC offers additional rental loan programs. The changes made by this legislation make it possible for borrowers to secure FHFC program loans by a subordinate mortgage with terms and repayment to provide the minimum amount of Local Government Support necessary to score the maximum number of points under FHFC guidelines for the Housing Tax Credit. Amending the Local Government Support Revolving Fund requirements would enable the replacement of the letter of credit with a subordinate lien mortgage to secure loans from the Jacksonville Housing Finance Authority's Loan Trust Fund. The general credit or taxing power of the JHFA, the City of Jacksonville, Duval County or the State of Florida shall not be pledged to the funding of the loans or projects offered and provided by this legislation.

Fiscal Impact: Undetermined

Date of Analysis: June 13, 2008

Type of Action: Appropriation

Bill Summary: This ordinance appropriates \$85,000 (as evidenced by B.T. 08-143) to provide funding for the Jacksonville Housing Finance Authority's modification of the Subsidy Loan Program creating 4% subsidy assistance grants for the \$12,000,000 Authority's Homeowner Mortgage Revenue Bonds, Series 2006A for the structuring of a single family mortgage loan program for qualified single-family participants; provision is made for the carryover of funds each Fiscal Year.

Background: On September 12, 2006, the Council adopted Ordinance 2006-857-E, approving the issuance of the Authority's \$12,000,000 Single Family Mortgage Revenue Bonds and also appropriating \$2,000,000 for the purpose of funding second mortgages for the single family loans according to the program. This current ordinance is a follow-up action to permit the Authority's transferring an amount not to exceed \$85,000 to modify the second mortgage program to create 4% subsidy grants in an effort to timely originate the remaining funds of the 2006 single family bond issue.

It is requested that the Chief of Legislative Services forward a copy of the enacted legislation to the Planning and Development Dept., Addressing Unit, for processing, implementation, and coordination with affected agencies and organizations.

Background Information: Information on file states that the name change is requested to provide a better identification of the location of the Flagler Center Development Project, particularly as will be seen from the planned 9B extension. There are 7 parcels located along the roadway, and all of the parcels are owned by either Flagler Development Company or FDG Flagler Center II, LLC. Both property owners are responsible for requesting this name change, and currently there are no businesses located along the roadway. The proposed name change has been reviewed by both the 911 Emergency Addressing Advisory Committee and the Jacksonville Historic Preservation Commission, and neither entity objected.

Bill Type and Number: Ordinance 2008-513

Sponsor: Council President at the request of the Mayor

Date of Introduction: June 10, 2008

Committee(s) of Reference: R

Date of Analysis: June 12, 2008

Type of Action: Ordinance Code amendments

Bill Summary: The bill amends numerous chapters and sections throughout the Ordinance Code to correct the names of departments and divisions that have not been properly amended following administrative reorganizations.

Background Information: As administrative reorganizations and departmental renamings have taken place over the years, not all of the references to renamed departments and divisions have been properly changed in the Ordinance Code, particularly in chapters that were not amended as the primary vehicle for the reorganization. This bill reflects a thorough sweep of the Code to correct all department and division name references.

Policy Impact Area: Ordinance Code accuracy

Fiscal Impact: Undetermined
